

VERITAS TRANSLATION SERVICES

FROM TRANSLATION TO TRANSFORMATION...

Company Profile

About Company

Veritas Translation Services FZ LLC (VTS), based in Dubai, goes beyond translation to deliver communication that is precise, culturally nuanced, and impactful. With expertise in translation, localisation, editing, proofreading, and business consulting, we help individuals and organisations express their voice with authenticity and clarity in global markets.

Our belief

At VTS, we believe communication is more than words — it is the bridge connecting people, cultures, and opportunities. From legal and medical to financial, technical, and corporate content, we ensure every message is delivered with accuracy, professionalism, and cultural sensitivity.

Vision and Mission

Vision

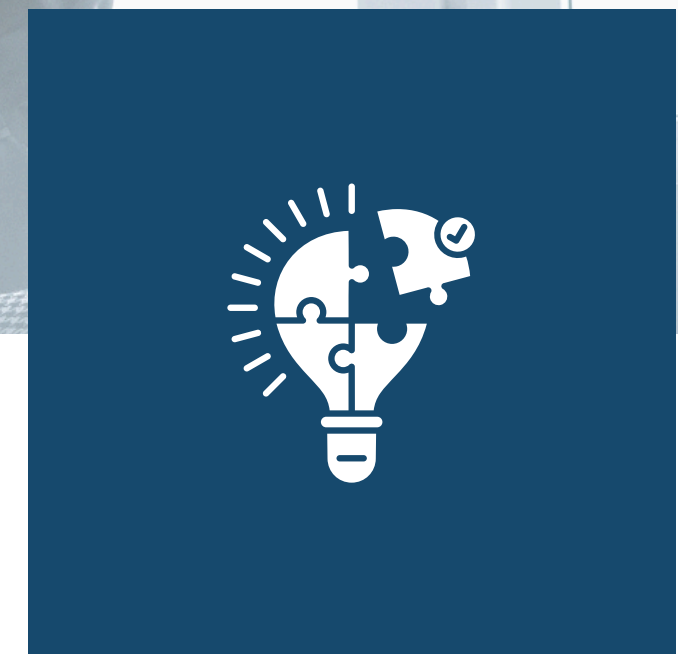

To create a world where businesses and individuals can communicate, collaborate, and succeed without language or cultural barriers.

Mission

To provide world-class translation, localization, and consulting solutions that combine linguistic precision with business intelligence, empowering clients to thrive across borders with accuracy, integrity, and transformative impact.

Why Choose Us?

- **Expertise** across diverse industries.
- **Certified linguists, consultants & advisors.**
- **Confidential, professional & client-focused.**
- Blend of **language & business intelligence.**
- **Trusted** by corporates, government & individuals in the UAE and beyond.

LANGUAGE & COMMUNICATION SERVICES

- **Legal Translation** – Certified, precise translations for contracts, agreements, court documents, and compliance material.
- **Medical Translation** – High-quality, reliable translations of medical reports, research papers, patient documents, and healthcare communication.

- **General Translation** – Clear, accurate translations for business, personal, and everyday communication.
- **Financial Translation** – Expert translations of financial statements, audits, investment reports, and regulatory filings.

- **Technical Translation** – Specialized translations for engineering, IT, and industry-specific documents with clarity and accuracy.
- **Website Translation & Localization** – Adapting websites for global audiences while preserving cultural relevance and tone.

- **Interpretation Services** – Professional simultaneous and consecutive interpretation for conferences, courts, corporate meetings, and events.
- **Editing & Proofreading** – Polishing content for grammar, clarity, style, and professionalism across academic, business, and personal documents.

BUSINESS & CONSULTING SOLUTIONS

Management Consultancy
